

List of service fees for customers from the region Scandics

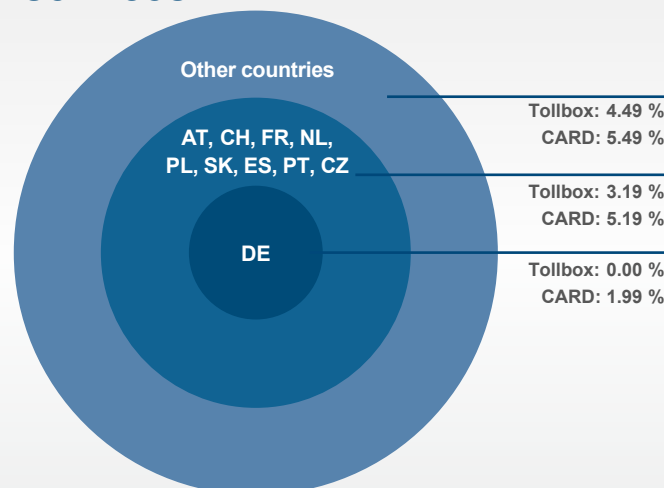

DKV charges service surcharges, service or card fees for the purchase of goods and services and/or from the use of DKV for the purchase of goods and services in accordance with Section 9.b. General Terms and Conditions (service fees). They are valid until further notice. The basis of the calculation of the service fees is the value of the goods and services purchased including VAT and/or the value of the use of DKV for the purchase of goods and services including VAT. The value is calculated in the respective local currency. All service fees are excluding of VAT.

Fuel services

Service fees of 2.50 % apply for AdBlue, CNG, LPG, LNG and H2 (Bottom-Up Network: 4.50 %).
