- The documents of proof only need to be sent in for motor vehicles with the EURO emission category IV or better and for motor vehicles with pure electric drive or hydrogen fuel cell drive.
- Please make sure that the correct motor vehicle licence number is set in the GO-Box.
- If the documents of proof are to be sent in for more than 10 motor vehicles, a separate list has to be included with the application form. Please use the „Application Form Annex“, which is available at www.go-maut.at under Downloads.

Further information on the type and scope of personal data processed by ASFINAG and on your right to disclosure, correction, deletion, limiting processing, revocation and transferability can be found at www.asfinag.at/privacy. You can contact our data protection officer at datenschutz@asfinag.at and also the competent supervisory authority via email.

Verification documents

In any event, we will need a **copy of your vehicle's registration certificate**.

Should the registration certificate not display the EURO emission class or the drive type, please send in additional verification documents. Specifically, these include:

- COC document (Certificate of Conformity)
- CEMT verification of compliance with the technical safety requirements for a motor vehicle
- COP document (Conformity of Production)

Important information for vehicle owners with a British vehicle's registration: In addition to your vehicle registration you ought to send us the [Reduced Pollution Certificate \(RPC\)](#) and the [Low Emissions Certificate \(LEC\)](#) provided by the [Driver and Vehicle Standards Agency \(DVSA\)](#).

Please e-mail your documents (PDF, JPG) either to euroclass@asfinag.at or upload them at the SelfCare Portal at www.go-maut.at.

You can also send the documents by mail or fax:
